

[Traffic Factory - Releases from 2018 \(Video\)](#)

It was a long year, full of changes, growth, and success!
In this video, you will find a short story of our 2018 together.

Our video features:

- *Our contests including the TF World Tour & our Halloween contest*
- *The numerous features that have been added to the platform including CPM Custom Frequency Cap, Duplication Tools, Geo-Fencing for local offers, banners in mp4 format, etc*
- *A recap of new services such as a Dedicated Review Team, New Tutorials in both classic & video format and our new marketing materials.*
- *Our numerous appearances at Trade Shows across the globe including European Summit in Lisbon, Web Master Access in Amsterdam as well as Affiliate World in Bangkok.*

We thank you for making 2018 the success that it proved to be!

Let's keep making this story last long and making the best for both sides!
